## “Succeeding in a Down Cycle”

For Lenders and Law Firms • Presented for CLE Credit by  
Chicago Title, Fidelity National Financial Title & Ticor Title Insurance Companies

**Fidelity National Financial, Inc.** will be conducting a series of presentations on legal and business matters related to Secured Lending, Mezzanine Financing, Risk Management, UCC Insurance, 1031 Exchange Transactions and International Title Insurance. Senior Executives from our parent company will participate in a “Town Hall” discussion of commercial real estate trends and the factors they view as crucial to “Succeeding in a Down Cycle.”

Programs will review current developments in International Title Insurance, benefits of 1031 Exchange Transactions under applicable law, recent changes to Article 9 of the Uniform Commercial Code, Opting-In To Article 8. The Program will also examine why UCC collateral protection for secured creditors has applicability to Mezzanine Finance, Mixed Collateral Transactions, Power Generation Plants, Secured Working Capital Loans, Asset Based Loans, and Commercial Loan Workouts.
